FIRE / EXPLOSION HAZARD: Nil **LEL:** Nil **UEL:** Nil
EXTINGUISHING MEDIA: Any common method.
DECOMPOSITION PRODUCTS: Noxious from combustion of dry product
HAZARDOUS POLYMERIZATION / INSTABILITY: Will not occur.

FAS Powder Paint is top-grade wash-off opaque tempera paint in powder form. Economical and easy to use, just add water and mix to the required consistency. Offers a long shelf life with the ability to make-up the paint as required.

FAS Powder Paint is made from non-toxic, finely ground pigments giving a brighter full strength colour to your finish. This multi-purpose paint that can be used for a variety of techniques from finger painting to general art and craft work. Best suited for ages 2+.

Use For: Non-permanent posters, ticket writing, finger painting, general art and craft work. Ideally suited for the school classroom, pre-school educational groups or anywhere children are painting.

Cleaning: Soak garment immediately in warm water with detergent while paint is still wet. Leave to soak overnight, then machine wash with detergent in warm water. A slight residual pigment stain may remain on some fabrics. We do not recommend the application of stain removers as this may help set the stain and make removal more difficult.

SIZES:
 200g Jar (makes up to 1 litre).
 600g Pot (makes up to 3 litres).

Powder Paint Colour Chart

White	Yellow	Colour Mixed with White	Deep Yellow
Orange	Brilliant Red	Violet
